The ATP store data about our members for the purposes of administration only. We will usually only contact you to send you the materials that comprise our membership benefits (for example, newsletters), or with information that is relevant to our members (for example, information about conferences, or changes to our membership terms and conditions). On a very occasional basis, we may contact you to remind you to renew your membership, to update our records, for consultation or to evaluate our services to our members. If you prefer not to be contacted for these purposes, please tick the box below. We will never pass information about you on to other agencies or organisations except where necessary to deliver our services to members.

I do NOT want you to contact me to remind to update your records, for consultation or to evaluate your services
